4 In December 1929 the R.C. brought to the notice of Govt that the petitioner, who was a Rev Trainee resigned his appointment soon after his training in Agriculture was completed. He also referred to another instance in which a Rev Trainee in Chickmagalur Dt who had gone on leave, was not likely to return to duty. In order to prevent such occurrences he proposed that an agreement might be taken from every prob Rev Trainee binding him to serve Govt for five years & that in the event of any Rev Trainee resigning before the expiry of the period, he should be made liable to refund the stipend paid to him & to reimburse Govt for the expenditure incurred for his training also. The R.C. further proposed that Mr. K. Rangaiya (the petitioner) would be called upon to refund the stipend drawn by him, failing which the C.R.B. would be informed that he should be debarred from getting any other appt. In Govt Order No R 5-5-37-44/LR 310-29-R 11-2-30 approving the R.C's proposals referred to above were approved. The connected file is put up under Dno 3111.

5 The petitioner prays that for reasons given in his representation, the refund of the stipend paid to him may kindly be waived. Submitted for orders.

16) The plea put forward by Rangaiya to escape his liability to refund the stipend drawn by him for undergoing training as a Revenue Inspector is untenable. The Govt. Order of 11th February 1930 specifically referred to his case and directed that he should be called upon to refund the stipend drawn by him failing which he should be debarred from getting any other employment. He questions the validity of this order simply because no agreement was taken from him at the time of his selection for training and his resignation was accepted by the Dy. Commr unconditionally. Govt. as employers have every right to impose fresh conditions on the employed at any stage of their service and the latter are bound to comply with such conditions if they elect to continue in the service. As regards the unconditional acceptance of the resignation by the Deputy Commissioner, it is just possible that the full facts of the case were not placed before

Most respectfully submitted.

With reference to the Government Order No.R.5537-46/L.R. 310-29-2 dated 11th February 1930 published in the Mysore Gazette I am given to understand that I have got to refund the whole stipend I was in receipt of, as probationary Revenue Inspector, failing which, I will be debarred from future service,

Before any action is taken to recover the amount from me I beg to submit this my humble prayer for the kind consideration of Government:-

1. After serving for about a year and a half in the Sectt. as a Second Division clerk I applied for the post of a Probationary Revenue Inspector with a view to better my prospect
2. In January 1928, I was appointed as a Probationary Revenue Inspector on a stipend of Rs.30 per month.
3. After a year (which was then fixed as the period of probation) I was posted to the independent charge of a Hobli, in Chikmagalur Taluq.
4. During the period of probation I had successfully undergone the prescribed training and I had also passed Revenue Higher and Accounts Higher Examinations.
5. EEven after I was posted to the independent charge of a hobli I was still paid Rs.30, while candidates that were selected along with me and several of whom were less qualified than myself were paid Rs.40 and 35.
6. This grievance was a great dissatisfaction to me and combined with several other domestic inconveniences, my health was impaired at Malnad where I was then working; and I was forced to return on leave to my native place in Nelamangala Taluk, Bangalore District.
7. Meanwhile, I was intimated that I had to deposit Rs.25/- towards the cost of boarding and lodging to undergo Agricultural training in the Hebbal Agricultural School. I did accordingly.
8. While on leave, orders reached me to report myself to the Director of Agriculture to undergo training and I obeyed though I had not completely recovered from my illness.

9. I represented my hardships to the Revenue Commissioner and prayed for a change to one of the Maidan Districts.

10. After the Agricultural Training was over, I was asked to report myself for duty at Chikmagalur. At that time my pay of of three months was undisbursed and I was urgently in need of monetary help.

Under these circumstances, I had no way other than submitting my resignation. I thought there was no restriction that I should serve in the department for a certain period because I had not bound myself by any agreement. There was no such condition laid down in the order inviting applications for the post. In my resignation application I distinctly stated that my health was impaired and that I could not maintain my family in the Malnad District on a pay of Rs.30/-. My resignation was accepted by the Deputy Commissioner unconditionally (vide copy of the endorsement attached).

Afterwards I was entertained in General and Revenue Secretariat again as II Division clerk. I was shocked to see the Government Order mentioned above, thus penalizing me for no fault of mine.

I therefore, humbly pray that my hard case may kindly be considered and that the refund asked for may kindly be waived.
